Welcome B.A.C.

We extend a very hearty welcome to-day to our friends from Bristol, the B.A.C., who by the way have an excellent fixture list and have been doing quite well.

They play good open Rugger and have "shaken" the United on several occasions. The United however are undefeated at home and it will take a good side to lower their colours.

Perhaps their best performance to date, apart from their home win against Bristol United, was their win at Reading last week against Berkshire Wanderers and of course they defeated the B.A.C. at Bristol earlier in the season by 11 points to 6 points.

In addition to this, it should be borne in mind that they are always liable to have their side depleted by first XV. calls.

Unfortunately, the United's massive forward Vic. Northam met with a nasty accident playing in a mid-week game with his R.A.F. side. There is possible cartilage trouble, so that it seems Vic. will have to watch for a bit. I am sure everyone will wish him a speedy recovery.

I am sure the Bath Club is grateful for the whole hearted co-operation of the very successful Walcot Club. They are always ready to help as witness Saturday last. This is the Spirit around "Bunker's Wallop" and we wish them even greater success than they are at present enjoying.
